

## **PINOVA PRESS RELEASE**

Pinova, Inc. Achieves SQF 2000 Level 2 Food Safety Certification  
Brunswick, GA Site GFSI Compliant

Brunswick, GA, April 4, 2013 – Pinova, Inc. is pleased to announce that it has achieved SQF 2000 Level 2 Food Safety Certification, the key milestone in becoming adherent to the Global Food Safety Initiative. The successful third party audit resulting in achievement of the Safe Quality Food Certification is the culmination of a multi-year effort and investment in cGMP upgrades at Pinova’s Brunswick, GA production facility. To meet the changing needs of the global beverage industry, Pinova has also added significant Ester Gum® 8BG capacity at Brunswick. With a long track record of safety-in-use, Ester Gum 8BG is widely approved and is recognized as the premier weighting and clouding agent for citrus beverages.
